Pursuant to the court's Memorandum and Order previously filed on this date, and [Fed. R. Civ. P. 54\(b\)](#), all claims against Defendant Ryan & Associates, Inc. are dismissed with prejudice, and Ryan is no longer a party to the action. This judgment does not dismiss Plaintiff's claims against Defendant Beatrice Biodiesel, LLC.

Because Chapter 7 bankruptcy proceedings are currently underway for Defendant Beatrice Biodiesel, and there being no just reason for delay, Rule 54(b) judgment is appropriate.
